# CYCLING TIME TRIALS WEST DISTRICT

Results of the

**64th national championship**

# hill climb

held on Sunday 28th October 2007  
at Cheddar Gorge  
on the UH30

**CHEDDAR**  
CAVES & GORGE  
SOMERSET

**BIKE SOMERSET**

Promoted for and on behalf of Cycling Time Trials  
under their Rules, Regulations and  
National Championship Conditions.

**On behalf of the West DC** we would like to express our thanks to all the Clubs in the District that provided the man, or should we say person, power to help put on such an ambitious project. There are far too many people and organisations to thank to name them all, but you know who you are and to every one of you that contributed, whether great or small, thank you on behalf of all the riders that came and enjoyed – again if that is the right word – the event.

# thank you

In no particular order, but the following do warrant a special thank you...

To Che, and all the staff at Broadway House we thank you for your hospitality and the plentiful supply of hot food and warm drinks.

Hugh, Bob and the staff at Cheddar Caves and Gorge. David Duffield for presenting the prizes;

Birgit and Graham at Somerset County Council. The National Escort Group motorcycle marshals. Keith Butcher, motorcycle courier. Bardon Aggregates for sweeping the road on Sunday morning.

George and Michelle for marshalling 'above and beyond' the call of duty, aided by Bridgwater CC. Paul, Dennis, Bridgit, Ian and Len the timekeepers. British Cycling and everydaycycling.com for the PA and other equipment. Astrid, Keith Barbara and John for the motorhomes Lusso for the Champions jerseys. Brian Griffiths for supplying and setting up PA equipment and Peter Graham for commentating Eileen the number steward. Andy, Rob and Mary-Jane car park marshals. George, runner between HQ and start. Steve Barber for the generator Allan Tebbutt for the countdown sign Stu Dodd of Bike Somerset; Keith and Phil for all their input on the start sheet and help on the day Ann Owens for the **official photography** which can be downloaded from [www.flickr.com](http://www.flickr.com) (search for 2007 National Hill Climb).

And finally to all the competitors for putting in the maximum effort to make is such a competitive championship.

**Lost property.** We have arm+leg warmers, a hat (delivered by a local guest house owner), gloves, a vest, shorts, leggings, a shirt, a jacket and a bottle. If they belong to you contact Dave Keene 0117 924 7456

# the national champion

new edition now available

With the pace of bicycle developments moving ever more quickly, this new fifth edition introduces significant changes, including substantial new sections on hub gears and the various types of bottom bracket/chainset combinations now available. Beautifully presented in colour throughout and packed as before with practical information and handy tips, this book – the undisputed market-leader – gives any rider the confidence and knowledge required to tackle regular maintenance, repairs and even major overhauls.

*'everything you need to know about bikes but are afraid to ask'* THE INDEPENDENT
